

RAM KENNETH TADONG

FULL-STACK DEVELOPER

Hi! I'm an ambitious Programmer. I work well with little to no supervision, am self-motivated, and am extremely hard-working. I have an incredible passion for my work and I hunger for new knowledge and skills. I always give my 100% on every project I work on. I'm a fast and self-learner person so you can count me on for other things.
